

LG VIZUON™ LD3911G

5-7 year gloss white polymeric film with permanent grey adhesive

Product description

For printing with Solvent, Latex and UV inks.

Gloss white 80µ calendared polymeric PVC. Supplied with a grey permanent solvent acrylic adhesive on a heat stable 130gsm back-printed PE coated release liner.

Typical uses

Mid to long term internal and external general purpose advertising and promotion.

The product is recommended for simple 2D contours or flat-sided applications such as boards and the like.

Grey adhesive acts as a good coverall and ensures the finished graphic will be colour consistent regardless of the shade of substrate it is applied to.

Shelf life

2 years when stored at 15°C - 25°C and 50% RH.

Physical properties (Average Values)

Tests made at 23°C and 50%RH unless otherwise stated

Film thickness: 80 microns

Adhesive data: Peel adhesion on glass
24 hrs: 14 – 16 N/25mm

Gloss: > 85 (measured at 60° angle)

Temperature ranges:

Min. application: plus 10°C
Service range: minus 45° to plus 80°C

Flammability: Fire rated EN13501-1

Application Data

The use of high pressure washers is not recommended, especially on intricate cut graphics.

Hand washing with soapy water is preferred to avoid damage to the product.

When printed with solvent inks, sufficient time must be left after printing to allow the out gassing of the solvents in the inks. Prints must ideally be left flat and uncovered for at least 24 hours to allow this process to happen, especially in colder workshops. The use of a hot air blower will greatly improve this process.

Product can be laminated with one of our DigiGuard range of laminates or the matched clear laminates from LG, LD3912G or LD3912M.

All technical information is based on manufacturer's claims and is believed to be true at time of print but does not constitute a warranty. Due to the complexity of end use the purchaser should carefully consider the fitness and performance of the product for their own application or use.

We reserve the right to make changes to specifications without prior notice.
